**ON STAGE JAMZ SPOTTERS**

As a safety precaution, JAMZ provides each mounting team with on-stage spotters. JAMZ believes that on-stage spotters provide an invaluable safety precaution against injuries on the performance floor during Nationals/Competitions. JAMZ encourages all teams to use and allow the on-stage spotters throughout your entire performance. Nevertheless, JAMZ does allow coaches, with teams competing in ALL-STAR Junior, Senior, Open and International Level 4, 5 & 6, to waive the use of spotters by signing the below declaration. If you do NOT wish to have JAMZ Spotters, your signature is required below. By signing below, you as a coach/owner are acknowledging that JAMZ will not have any on-stage assistance (spotters) during your team's performance and that the lack of spotters may significantly increase the risk of injury to your performing team members. Your signature below indicates that JAMZ will not be liable for any injuries that may occur during your team's performance.
